NOTICE

NOTICE is hereby given that the 37th ANNUAL GENERAL MEETING of the Shareholders of **PREMCO GLOBAL LIMITED** (CIN:L18100MH1986PLC040911) will be held on **Friday ,06th August 2021 at 03:00 P.M.** through Video Conferencing ('VC')/ Other Audio-Visual Means ('OAVM') facility to transact the following business:

ORDINARY BUSINESS

- 1) To receive, consider and adopt
 - a) the Audited Standalone Financial Statements for the year ended 31st March 2021 together with the Report of Directors and the Auditors thereon, and
 - b) the Audited Consolidated Financial Statements for the year ended 31st March 2021 together with the Report of Auditors thereon, and
- 2) To confirm the payment of 1st Interim Dividend of Rs.2 per share, 2nd Interim Dividend of Rs.2 per share for the FY 2020-2021 and to approve Final Dividend on Equity Shares for the financial year ended 31st March 2021.
- 3) To appoint a Director in place of Mrs. Nisha P. Harjani (DIN 00736566) who retires by rotation and being eligible offers herself for re-appointment.

SPECIAL BUSINESS

- 4) **Approval under section 180 (1)(c) of the Companies Act 2013:**

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to Section 180(1)(c) and other applicable provisions, if any, of the Companies Act, 2013, as amended from time to time, the consent of the members of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as the "Board" which term shall include any committee thereof for the time being exercising the powers conferred on the Board by this Resolution), to borrow from time to time, any sum or sums of monies, which together with the monies already borrowed by the Company (apart from temporary loans obtained or to be obtained from the Company's bankers in the ordinary course of business), may exceed the aggregate of the paid-up capital of the Company and its free reserves, that is to say, reserves not set apart for any specific purpose, provided that the total outstanding amount so borrowed shall not at any time exceed the limit of Rs. 100 Crores at any one point of time."

"RESOLVED FURTHER THAT, the Board (including any Committee duly constituted by the Board of Directors or any authority as approved by the Board of Directors) be and is hereby authorized to do all such acts, deeds and things and to sign and execute all such deeds, documents and

instruments as may be necessary, expedient and incidental thereto to give effect to this resolution."

- 5) **Approval under section 180 (1)(a) of the Companies Act 2013:**

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to provisions of Section 180(1) (a) and all other applicable provisions of the Companies Act, 2013, and the Rules made thereunder, including any statutory modification(s) thereto or re-enactment(s) thereof, for the time being in force, and in accordance with the Articles of Association of the Company, consent of the members of the Company be and is hereby accorded to the Board of Directors of the Company to pledge, mortgage, hypothecate and/or charge all or any part of the moveable or immovable properties of the Company and the whole or part of the undertaking of the Company of every nature and kind whatsoever and/or creating a floating charge in all or any movable or immovable properties of the Company and the whole of the undertaking of the Company to or in favour of banks, financial institutions, and any other lenders or debenture trustees to secure the amount borrowed by the Company or any third party from time to time for the due payment of the principal and/or together with interest, charges, costs, expenses and all other monies payable by the Company or any third party in respect of such borrowings provided that the aggregate indebtedness secured by the assets of the Company does not exceed Rs. 100 Crores (Rupees Hundred Crores) at any point of time."

"RESOLVED FURTHER THAT the pledge, mortgage, lien, hypothecation and/or charge created or to be created and all agreements, deeds, instruments or documents executed or to be executed and all acts necessary in terms of this resolution required to be done by the Company or the Board are hereby approved, confirmed and ratified."

"RESOLVED FURTHER THAT the Board of Directors of the Company be and are hereby authorized to do all such acts, deeds and things and to sign and execute all such deed, documents and instruments as may be necessary, expedient and incidental thereto to give effect to this resolution."

- 6) **Approval of loans, investments, guarantee or security under section 185 of Companies act, 2013:**

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to Section 185, Section 186 and all other applicable provisions of the Companies Act, 2013 read with Companies (Amendment) Act, 2017 and Rules made thereunder as amended from time to time, the consent of the Company be and is hereby accorded

to authorize the Board of Directors of the Company (hereinafter referred to as the Board, which term shall be deemed to include, unless the context otherwise required, any committee of the Board or any director or officer(s) authorised by the Board to exercise the powers conferred on the Board under this resolution) to advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any entity which is a subsidiary of the Company or any other person in whom any of the Directors of the Company is interested/deemed to be interested, (in which any director is deemed to be interested) upto an aggregate sum of Rs.50 cr.(Rupees Fifty Crores Only) in their absolute discretion deem beneficial and in the interest of the Company, provided that such loans are utilized by the borrowing company for its principal business activities.”

“**RESOLVED FURTHER THAT** for the purpose of giving effect to the aforesaid resolution the Board of Directors of the Company be and is hereby authorized, to approve, decide, vary or modify the terms and conditions applicable for the aforesaid loan, Investment , Corporate Guarantee and to do all such acts, deeds, matters and things as they may, in their absolute discretion deem necessary, desirable or expedient and things in connection therewith and incidental thereto as the Board in its absolute discretion deem fit without being required to seek any further consent or approval of the members or otherwise to the end and intent that they shall be deemed to have given their approval thereto expressly by the authority of this resolution.”

BY ORDER OF THE BOARD OF DIRECTORS

Sd/-

GAURISH TAWTE
COMPANY SECRETARY AND COMPLIANCE OFFICER
MEMBERSHIP NO: ACS49898

Place: Mumbai
 Date: 24th June, 2021

Registered Office: “Premco House”, A/26, M.I.D.C.,
 Street No. 3, Andheri (East),
 Mumbai - 400 093
CIN: L18100MH1986PLC040911

NOTES:

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time, physical attendance of the Members to the AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
4. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution / authorization letter to the Scrutinizer by email to sanjayrd65@gmail.com with a copy marked to evoting@nsdl.co.in.
5. The Members can join the AGM in the VC/OAVM mode 30 minutes before and 15 minutes after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
6. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at

the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as voting on the day of the AGM will be provided by NSDL.

7. Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes member of the Company after the notice is sent through e-mail and holding shares as of the cut-off date i.e. **30th July 2021**, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or Issuer/RTA. However, if you are already registered with NSDL for remote e-voting, then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using "Forgot User Details/Password" or "Physical User Reset Password" option available on www.evoting.nsdl.com or call on toll free no. **1800 1020 990 and 1800 22 44 30**. In case of Individual Shareholders holding securities in demat mode who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date i.e. **30th July 2021** may follow steps mentioned in the Notice of the AGM under "The instructions for members for remote e-voting, e-voting during AGM and procedure to join AGM".
8. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://www.premcoglobal.com/investors> The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
9. This AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.
10. The Register of Member and the Share Transfer Books of the Company will remain closed from 31.07.2021 to 06.08.2021 (both days inclusive).
11. The Board of Directors of the Company at its meeting held on 24th June 2021, has recommended the Final Dividend of Rs.4 per share of Rs. 10 each for the FY 2020-2021. The Final Dividend once approved at the ensuing AGM, payment of such dividend is subject to deduction of tax at source and will be paid/ dispatched on/ after 6th August 2021 and within thirty days from the date of declaration of dividend to those persons (or their mandates):

- whose names appear as beneficial owners as at the end of the business hours on 30th July 2021 in the list of the Beneficial Owners to be obtained from the Depositories i.e. National Securities Depository Limited [NSDL] and Central Depository Services (India) Limited [CDSL], in respect of the shares held in electronic/ dematerialized mode; and
- whose names appear as Members in the Register of Members of the Company as on 30th July 2021, in respect of the shares held in physical mode.

Members may note that the Income-tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 1, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate as applicable, members are requested to submit relevant documents, as specified in the below paragraphs, in accordance with the provisions of the IT Act.

For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows:

- Members having valid Permanent Account Number ("PAN") 10% or as notified by the Government of India
- Members not having PAN / valid PAN 20% or as notified by the Government of India

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during fiscal 2022 does not exceed Rs. 5,000 and also in cases where members provide Form 15G / Form 15H (Form 15H is applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower / nil withholding tax. PAN is mandatory for members providing Form 15G / 15H or any other document as mentioned above.

For non-resident shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA"), read with Multilateral Instrument ("MLI") between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- Copy of the PAN card allotted by the Indian income tax authorities duly attested by the member or details

as prescribed under rule 37BC of Income-tax Rules, 1962

- Copy of Tax Residency Certificate for fiscal 2022 obtained from the revenue authorities of the country of tax residence, duly attested by member
- Self-declaration in Form 10F
- Self-declaration by the member of having no permanent establishment in India in accordance with the applicable tax treaty
- Self-declaration of beneficial ownership by the non-resident shareholder
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by the member.

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents.

The aforementioned documents are required to be sent by email to tds@bigshareonline.com. The aforesaid declarations and documents need to be submitted by the shareholders by 11:59 p.m. IST on 30th July 2021.

In respect of the Members holding shares in electronic form, the bank details obtained from the respective depositories will be used for the purpose of distribution of dividend through various approved/ permissible electronic mode of payment viz. Electronic Clearing Services (ECS), National Electronic Funds Transfer (NEFT), Real Time Gross Settlement (RTGS), etc. The Company/ R & TA will not act on any direct request from the Members holding shares in dematerialized form for change/deletion of such bank details. Such changes are to be intimated by the Members:

- i. to their Depository Participants (DPs) in respect of their shareholdings in electronic (demat) form, and
- ii. to the Company's Registrar & Share Transfer Agents namely, M/s. Big Share Services Private Limited in respect of shareholdings in physical form.

12. Any query related to dividend should be directed to R & TA.

Members are requested to:

- (i) Send all correspondence to the R & TA upto the date of book closure.
- (ii) Quote Registered Folio Number or DP ID/ Client ID in all the correspondence.

13. Members who have not encashed/received the dividend warrants so far in respect of the below mentioned periods, are requested to make their claim to the Registrar and Share Transfer Agent namely, M/s. Big Share Services Private Limited well in advance of the below due dates. Members are requested to note that dividends not claimed within seven years from the date of transfer to the Company's Unpaid Dividend account, will be transferred to the Investor Education and Protection Funds (IEPF). Further the shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF. It may be noted that once the amounts in the unpaid dividend accounts are transferred to IEPF, no claim shall lie against the IEPF or the Company in respect thereof and the Members would lose their right to claim such dividend.

14. Due dates of transferring unclaimed and unpaid dividends declared by the Company for the financial year 2013-14 and thereafter to IEPF:

Year	Dividend Per share	Date of Declaration of Dividend	Year for transfer to IEPF
2013-2014	2.00	14-Aug-2014	2021
2014-2015	2.70	01-Sep-2015	2022
2015-2016	2.50 + 0.50	22-Mar-2016/ 09-Sep-2016	2023
2016-2017	3.00	20-July-2017	2024
2017-2018	3.00	25-Sep-2018	2025
2018-2019	2.00	10-Sep-2019	2026
2019-2020	2.00	22-Sep-2020	2027
2020-2021	2.00(1 st Interim)	06-Nov-2020	2027
2020-2021	2.00(2 nd Interim)	31-March-2021	2028

15. In compliance with the MCA Circulars and SEBI Circulars, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website www.premcoglobal.com website of BSE Limited at www.bseindia.com and on the website of NSDL <https://www.evoting.nsdl.com>

To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with R&TA in case the shares are held by them in physical form.

Members are requested to furnish/update the details of their address, e-mail address, bank account details, relevant information for availing various approved/permissible modes of electronic funds transfer facilities viz. Electronic Clearing Services (ECS), National Electronic Funds Transfer (NEFT), Real Time Gross Settlement (RTGS), etc.:

- (i) to their depository participants in respect of their shareholdings in electronic (dematerialized) form;
- (ii) to R & TA, in respect of their shareholdings in physical form, quoting their folio numbers.

Members are entitled to have, free of cost, a copy of the Documents upon placing a specific requisition addressed to R & TA.

16. Members are requested to :-

- i. Members holding shares in Physical form are requested to convert their holding into dematerialize form to eliminate all risk associated with Physical shares; Members can contact our RTA in this regard.
 - ii. Members holding shares in dematerialize form are requested to intimate all changes pertaining to their Bank details, Email address, Contact Numbers which will help Company and its Registrar's to provide better & efficient services.
 - iii. Write to the Company at least 7 days before the date of the meeting, in case they desire any information as regards the Audited Accounts for the financial year ended 31st March 2021, so as to enable the Company to keep the information ready.
 - iv. Quote Registered Folio no. or DP ID/Client ID no. in all their correspondence.
 - v. Approach the R&TA of the Company for consolidation of folios.
 - vi. Avail of Nomination facility by filing in and forwarding the nomination form to the R&TA, if not already done.
 - vii. Send all correspondence to the R&TA of the Company, M/s Big Share Services Pvt. Ltd., 1st Floor, Bharat Tin Works Building, Opp. Vasant Oasis, Makwana Road, Marol, Andheri East, Mumbai 400 059 upto the date of book closure.
17. Corporate Members are requested to forward a certified copy of the Board Resolution authorizing their representatives to attend and vote at the Annual General Meeting.
18. In case of joint holders, the vote of only such joint holder who is higher in the order of names, whether in person or proxy, shall be accepted to the exclusion of the votes of other joint holders.
19. Members, who are holding Shares in identical order of names in more than one Folio, are requested to apply to the Company/ R&TA along with the relevant Share Certificates for consolidation of such Folios in one Folio.
20. Members desiring any information pertaining to the financial statements are requested to write to the Company Secretary at an early date so as to enable the Management to reply at the AGM.

21. The Company has listed its shares on the Bombay Stock Exchange Limited. The listing fees till date have been paid.

22. All the documents referred to in the Notice are open for inspection at the Registered Office of the Company between 11:00 a.m. to 3:00 p.m. on all working days except Saturdays, Sundays and Public Holidays until the date of the Annual General Meeting or any adjournment(s) thereof.

23. The Securities and Exchange Board of India has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market and Members holding shares in electronic form are requested to submit their PAN to their Depositories Participant(s). Members holding shares in physical form shall submit their PAN details to R & TA, if not already submitted.

24. **THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING, E-VOTING DURING AGM AND PROCEDURE TO JOIN AGM ARE AS UNDER:-**

The remote e-voting period begins on 03rd August 2021 at 09:00A.M. and ends on 05th August 2021 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 30th July 2021, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 30th July 2021.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	<ol style="list-style-type: none"> Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the “Beneficial Owner” icon under “Login” which is available under ‘IDeAS’ section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on “Access to e-Voting” under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select “Register Online for IDeAS Portal” or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Shareholders/Members can also download NSDL Mobile App “NSDL Speede” facility by scanning the QR code mentioned below for seamless voting experience. <div data-bbox="438 953 971 1260" style="text-align: center;"> <p>NSDL Mobile App is available on</p>    </div>
Individual Shareholders holding securities in demat mode with CDSL	<ol style="list-style-type: none"> Existing users who have opted for Easi / Easiest, they can login through their user id and password. Option will be made available to reach e-Voting page without any further authentication. The URL for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or www.cdslindia.com and click on New System Myeasi. After successful login of Easi/Easiest the user will be also able to see the E Voting Menu. The Menu will have links of e-Voting service provider i.e. NSDL. Click on NSDL to cast your vote. If the user is not registered for Easi/Easiest, option to register is available at https://web.cdslindia.com/myeasi/Registration/EasiRegistration Alternatively, the user can directly access e-Voting page by providing demat Account Number and PAN No. from a link in www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the demat Account. Individual Shareholders (holding securities in demat mode) login through their depository participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

- Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
- Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.
- A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

- Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

- Password details for shareholders other than Individual shareholders are given below:
 - If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
 - How to retrieve your ‘initial password’?
 - If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.
 - If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
- If you are unable to retrieve or have not received the “ Initial password” or have forgotten your password:
 - Click on “**Forgot User Details/Password?**”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - Physical User Reset Password?** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
- Now, you will have to click on “Login” button.
- After you click on the “Login” button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to sanjayrd65@gmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to Ms. Sarita Mote at evoting@nsdl.co.in.

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to gaurish@premcoglobal.com.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to gaurish@premcoglobal.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A)** i.e. **Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.**
3. Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR e-VOTING ON THE DAY OF THE AGM ARE AS UNDER:-

**EXPLANATORY STATEMENT AS REQUIRED UNDER SECTION 102 OF THE COMPANIES ACT, 2013**

The following Explanatory Statement sets out all material facts relating to the business mentioned under.

EXPLANATORY STATEMENT TO ITEM NO 4 & ITEM NO 5 OF THE NOTICE

The Company requires to borrow funds from time to time to meet both its short term and long terms business objectives, from various external agencies like banks, financial institutions, bodies corporate, individuals or other kind of lenders. Section 180 (1) (c) of the Companies Act, 2013 permits the Company to borrow money along with the money already borrowed by the Company, except the temporary loans obtained from the Companies banker in ordinary course of business, beyond the paid –up capital and free reserve of the Company, only if the same is approved by the Members of the Company. The borrowings of the Company are in general required to be secured by suitable mortgage or charge on all or any of the movable or immovable properties of the Company, in such form, manner and ranking as may be determined by the Board of Directors of the Company from time to time, in consultation with the lender(s). It is therefore, necessary for the members to pass a Special Resolution under Section 180(1)(a) and 180(1)(c) of the Companies Act, 2013, as set out at Item No. 4 and Item No. 5 of the Notice, to enable the Board of Directors to borrow money upto Rs. 100 Crores (Hundred Crores) and inter alia, authorize the Board to secure its borrowing by mortgage / charge on any of the movable and/or immovable properties and/or the whole or any part of the undertaking(s) of the Company. The Board recommends the Special Resolution as per the accompanying Notice, for approval by the Shareholders of the Company. None of the Directors and the Key Managerial Personnel of the Company and their respective relatives are concerned or interested in the passing of the above resolution.

EXPLANATORY STATEMENT TO ITEM NO 6 OF THE NOTICE

As per the provisions of Section 185 of the Companies Act, 2013, no company shall, directly or indirectly, advance any loan including any loan represented by a book debt, to any of its Directors or to any other person in whom the Director is interested or give any guarantee or provide any security in connection with any loan taken by him or such other person. However, in order to promote ease of doing business, the entire Section 185 of the Companies Act, 2013 has been substituted vide Companies (Amendment) Act, 2017 and the same was notified by the Ministry of Corporate Affairs on 7th May, 2018. In terms of the amended Section 185

of the Act, a company may advance any loan, including any loan represented by a book debt, to any person in whom any of the Directors of the Company is interested or give any guarantee or provide any security in connection with any loan taken by any such person, subject to the condition that approval of the shareholders of the Company is obtained by way of passing a Special Resolution and requisite disclosures are made in the Explanatory Statement. The management is of the view that the Company may be required to invest surplus funds, if available in its Subsidiary Company or to any other body corporate(s) in which the Directors of the Company are interested, as and when required. Hence, as an abundant caution, the Board decided to seek approval of the shareholders pursuant to the amended provisions of Section 185 of the Act to advance any loan, including any loan represented by book debt, to its subsidiary company or other body corporate(s) in whom any of the Directors of the Company is interested or to give guarantee or provide any security in connection with any loans/ debentures / bonds etc. raised by its subsidiary company or other body corporate(s) in whom any of the Directors of the Company is interested up to an aggregate amount of Rs.50 cr.(Rupees Fifty Crores Only) .The Board of Directors recommends resolution as set out in item No. 6 for approval of the members of the Company by way of passing a Special Resolution.

None of the Directors, Key Managerial Personnel of the Company or their relatives or any of other officials of the Company as contemplated in the provisions of Section 102 of the Companies Act, 2013 is, in any way, financially or otherwise, concerned or interested in the resolution.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Premco Global Limited
CIN L18100MH1986PLC040911
Mumbai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Premco Global Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company of books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not applicable to the Company during the Audit Period);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- (a) The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015;
 - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; There were no further issue of securities during the year under review.
 - (e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; There were no proposals for delisting of its Equity shares during the year under review.
and
 - (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; There were no Buy Back of its Equity shares during the year under review.
- (vi) Other laws applicable to Company
1. Custom Act 2013
 2. Foreign Trade Policy 2015-2020
 3. Excise laws and Other State Vat Laws applicable
 4. Labour Laws and other incidental laws related to labour and employees.
 5. Shop and Establishment Act & Rules (State wise)
 6. Acts prescribed under prevention and control of pollution and environmental protection.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India;
- (ii) The Listing Regulations entered into by the Company with the BSE Limited and Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements), Regulations 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions of the Board are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Further we have to state that we have not carried out the physical inspection of any records maintained by the Company due to prevailing lock down conditions owing to COVID 19 across the country. We have relied on the records as made available by the Company by digital mode and also on the Management Representation Letter issued by the Company.

This Report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Overview

The global outbreak of COVID-19 during 2020-21 infected nearly 50 million people as of March 2021, posing a major threat to human health. The Indian GDP grew by -7.3% and Nominal GDP figures stood at -3%. The First Quarter of 2021 (Last Quarter of FY 2021) showed a remarkable recovery of 4%.

The year 2020 has been the most challenging year in our lifetimes. What started as a promising year for our industry quickly turned into a difficult one. COVID-19 pandemic brought the entire world to a standstill, equitably affecting markets and supply chains globally.

Consumer purchase of textile and apparel were hit badly due to the global lockdowns and economic recession. The global apparel consumption is estimated to have shrunk by 22% in 2020.

However, 2021 looks brighter given the onset of vaccination drives, growth in e-commerce sales of apparel, and resumption of global supply chains.

INDIAN TEXTILE INDUSTRY

“ India’s textiles industry contributed 7% to the industry output (by value) in 2018-19. The Indian textiles and apparel industry contributed 2% to the GDP, 12% to export earnings and held 5% of the global trade in textiles and apparel in 2018-19.

The share of the India’s textiles and apparel exports in mercantile shipments was 11% in 2019-20.

Textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country.

The domestic textiles and apparel market stood at an estimated US\$ 100 billion in FY19.

Exports of textiles (RMG of all textiles, cotton yarn/fabs./made-ups/handloom products, man-made yarn/fabs./made-ups, handicrafts excl. handmade carpets, carpets, jute mfg. including floor coverings) stood at US\$ 26.08 billion, as of February 2021

TECHNICAL TEXTILES IN INDIA

PREMCO GLOBAL LIMITED, is a member of Technical Textiles Association. Technical textiles are textiles materials and products used for their technical performance and functional properties. Technical textile has a huge scope in India and is a sunrise sector.

India accounts for 3% of the world's technical textile production producing roughly 90,000 MT of technical textiles. India accounts for 4% of global technical textile exports and 3% of global imports. The technical textiles industry in India was estimated at Rs 1,16,217 crore in the year 2018.

The domestic market is projected to reach Rs.2,00,823 crore by 2021 with a CAGR of 20%. ”

OPPORTUNITIES AND THREATS FOR THE COMPANY

OPPORTUNITIES:

For the apparel industry in general and our market in particular:

- Company has a locational advantage of supplying goods to its overseas customers, as it also has a plant in VIETNAM, which is presently a large global textile Hub, and ranks amongst the most rapidly growing countries for textiles manufacturing and exporting.
- Increasing fashion consciousness, higher disposal incomes and consumers becoming more aspirational, discerning and brand savvy, will help the brands for which Company has been manufacturing ELASTIC TAPES grow rapidly and indirectly will increase the demand for Company’s products.
- In 2018-19, Company received SINGLE STAR EXPORT HOUSE CERTIFICATE, which will enable our company to be recognized for ease of operation with tax and banking officials.

THREATS

Many major international apparel brands have commenced operations in India realizing that Indian markets are likely to emerge as one of the largest markets in the world in the next few decades. Due to this we expect enhanced competition for the Company’s Products.

Company’s Exposure to Foreign Currency Risks due to Overseas Operations.

SEGMENTWISE PERFORMANCE:

The Company is mainly engaged in the business of Manufacturing of Woven & Knitted Elastic Tapes and all other activities of the Company revolve around the main business, and as such, there are no separate reportable segments.

OUTLOOK

Company continues to strive for maximizing its capacity utilization in India & Vietnam by concentrating on new customers and innovating and expanding its Product Mix for its Products.

I. OBJECTIVE:

The Nomination and Remuneration Committee (NRC or the Committee) has formulated the Nomination & Remuneration Policy in compliance with Section 178 of the Companies Act, 2013 read with the applicable rules

thereto and Regulation 19(4) read with Part D of Schedule II under the Listing Regulations, as amended from time to time. This policy is mainly focused on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management.

The objective of the policy is to ensure that:

- To formulate the criteria for determining qualifications, competencies, positive attributes and Independence for appointment of Director's and recommend to the Board policies relating to remuneration of Director's , Key Managerial Personnel and other Employees.
- To formulate the criteria for evaluation of performance of all Directors on the board.
- The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- Remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

II. DEFINITIONS

Key definitions of terms used in this Policy are as follows:

- Act** means the Companies Act, 2013 and Rules framed thereunder, as amended from time to time.
- Listing Regulations** means SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time.
- Board** means Board of Directors of the Company.
- Directors** mean Directors of the Company.
- Key Managerial Personnel** means Chief Executive Officer or the Managing Director or the Manager;
Whole-time director;
Chief Financial Officer;
Company Secretary; and such other officer as may be prescribed.
- Senior Management** means personnel of the company who are members of its core management team excluding the Board of Directors including Functional Heads.

III. ROLE OF COMMITTEE

The Committee shall:

- i. Periodically reviewing the size and composition of the Board to ensure that it is structured in such a manner which enables to take appropriate decision in the best interest of the Company as a whole;
- ii. Formulate criteria for determining qualifications, positive attributes and independence of a Director. Establish and on regular basis review the succession plan of the Board, KMPs and Senior Executives;
- iii. Identify persons who are qualified to become Director and persons who may be appointed in Key Managerial and Senior Management positions in accordance with the criteria laid down in this policy;
- iv. To formulate criteria for evaluation of Independent Directors and the Board;
- v. Recommend to the Board performance criteria for the Directors, KMPs and Senior Management;
- vi. Recommend to the Board, appointment and removal of Director, KMP and Senior Management Personnel and their remuneration;
- vii. Help the Board to formulate and ensure the Board nomination process keeping in mind the diversity of gender, expertise, experience and Board structure;
- viii. To perform such other functions as may be necessary or appropriate for the performance of its duties.

IV. POLICY FOR APPOINTMENT AND REMOVAL OF DIRECTOR, KMP AND SENIOR MANAGEMENT

i. Appointment criteria and qualifications

- a. The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his / her appointment, as per Company's Policy.
- b. A person, to be appointed as Director, should possess impeccable reputation for integrity, deep expertise and insights in sectors/areas relevant to the Company, ability to contribute to the Company's growth, complementary skills in relation to the other Board members.
- c. A whole-time KMP of the Company shall not hold office in more than one Company except in its Subsidiary Company at the same time. However, a whole-time KMP can be appointed as a Director in any Company with the permission of the Board of Directors of the Company.

i. Term / Tenure

A. Managing Director/Whole-time Director:

The Company shall appoint or re-appoint any person as its, Managing Director and CEO or Executive/ Whole-time Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

MD OR CEO/CFO CERTIFICATE

To,
The Board of Directors
Premco Global Limited
Dear Members of Board,

1. We have reviewed financial statements and the cash flow statement of Premco Global Limited for the year ended 31st March, 2021 and to the best of our knowledge and belief:
 - (i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (ii) these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
2. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
3. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of Company's internal control systems pertaining to financial reporting. We have not come across any reportable deficiencies in the design or operation of such internal controls.
4. We have indicated to the Auditors and the Audit Committee:
 - (i) that there are no significant changes in internal control over financial reporting during the year;
 - (ii) that there are no significant changes in accounting policies during the year; and
 - (iii) that there are no instances of significant fraud of which we have become aware.
5. We further declare that all Board Members and senior management personnel have affirmed compliance with the code of conduct and Ethics for the year covered by this report.

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To the Members of
Premco Global Limited
CINL18100MH1986PLC040911
Mumbai

We have examined the compliance of conditions of Corporate Governance by **Premco Global Limited**, for the year ended on 31st March 2021, as stipulated in Schedule V (E) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 of the said Company with Stock Exchanges.

The Compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of Corporate Governance as stipulated under the above mentioned Listing Regulations, as applicable. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Director and Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Schedule V (E) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

**TO THE MEMBERS OF
PREMCO GLOBAL LIMITED**

Opinion

We have audited the accompanying consolidated financial statements of **PREMCO GLOBAL LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2021, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement, Consolidated statement of Changes in Equity for the year then ended, notes to consolidated financial statements and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31st March, 2021, and their consolidated profit, consolidated total comprehensive Income, their consolidated cash flows and consolidated changes in Equity for the year ended on that date

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon. There are no other key audit matters and we do not provide a separate opinion on these matters.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholders Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in Equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the financial statements, management and Board of Director are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters

related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company and its subsidiary companies which are incorporated in India, has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to

the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements.

Materiality is the magnitude of misstatement in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS

1. We did not audit the financial statements of the Foreign Subsidiary, Premco Global Vietnam Company Limited included in the Statement, whose interim financial statement reflect Total assets of Rs.3094.53 lacs at 31st March 2021 as well as Total revenue of Rs.4898.78 lacs for the year ended 31st March 2021. These interim financial statement and other financial information have been audited by other auditor whose report for the period ending 31st March 2021

is furnished to us by the management of the Company. Our opinion on the Statement, in so far as it relates to the amounts and disclosures included, is based solely on the report of the other auditor as well as management certified statements. Our opinion is not modified on this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive Income), the Consolidated Cash Flow Statement and consolidated statement of changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2021 taken on record by the Board of Directors of the Holding Company, none of the directors of the company is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”.

- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 35 (b) and 35(c) to consolidated financial statements.
 - ii. The Group has long-term contracts including derivative contracts as at March 31 2021 for which there were no material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company

**“Annexure A” to the Independent Auditor’s
Report of even date on the Consolidated
Financial Statements of Premco Global Limited**

(Referred to in Paragraph 1(f) under “Report on other Legal and Regulatory Requirements” of our report of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March 2021, we have audited the internal financial controls over financial reporting of **Premco Global Limited** (“the Holding Company”) incorporated in India as of that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 : General Information

PREMCO GLOBAL LIMITED (the Company) (CIN : L18100MH1986PLC040911) is a public limited company and is listed on Bombay Stock Exchange (BSE). The Company is engaged inter alia, in the business of manufacturing of Knitted & Narrow woven Elastics.

2. BASIS OF CONSOLIDATION AND SIGNIFICANT ACCOUNTING POLICIES :

2A - BASIS OF CONSOLIDATION

- (a) The consolidated financial statements relate to PREMCO GLOBAL LIMITED (the Holding Company) and its subsidiary. The Company and its subsidiary together constitute the "Group". The consolidated financial statements have been prepared on the following basis:
- (i) The financial statements of the Company and its subsidiary have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions resulting in un realised profits or losses.
 - (ii) The unaudited financial statements of the consolidated subsidiary are drawn upto the same reporting date as that of the Company and have been considered for consolidation.
 - (iii) The Foreign Subsidiary being non-integral operations, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at the rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in the 'Foreign Currency Translation Reserve'.
 - (iv) The Difference between the cost of investment in the subsidiary over the Group's portion of equity as at the date of making the investment is recognised in the financial statements as Goodwill or Capital Reserve as the case maybe.
 - v) Goodwill arising on consolidation, if any, is deemed to have an indefinite useful life and is reported at acquisition value with deduction for accumulated impairments after periodic tests.
 - vi) Minority Interest comprises:
 - a. The amount of equity attributable to the minorities at the date on which investment in a subsidiary is made; and
 - b. The minorities' share of movements in equity since the date the parent-subsidiary relationship came into existence.
 - vii) Minority interest in the net assets of the consolidated subsidiary is identified and presented in the consolidated balance sheet separately from liabilities and equity of the company's shareholders.
 - a) Minority's share of net profit for the year of consolidated subsidiary is identified and adjusted against the profit after tax of the group.
 - (b) The list of subsidiaries, which are included in the consolidation with their respective country of incorporation and the Group's holding therein, is given below;

i) Particulars of subsidiary (held directly):

Name of the Company	County of Incorporation	% of voting power as at 31 st March, 2021	% of voting power as at 31 st March, 2020
Premco Global Vietnam Co. Ltd	Vietnam	85%	85%

NOTE 2 : Significant Accounting Policies

1. Basis of preparation of Financial Statements

- a) These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS), notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, under the historical cost convention on accrual basis, except for certain financial instruments (including derivatives instruments) and defined benefit plans – Plan assets, which are measured at fair values, as specified at places of respective categories.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

- b) All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalent, the Company has ascertained its operating cycle to be twelve months for the purpose of current – non-current classification of assets and liabilities.
- c) Accounting policies not specifically referred to otherwise are consistent with the generally accepted accounting principles followed by the Company.

2. Property, Plant and Equipment and Depreciation

A) Property Plant and Equipment:

- a) Freehold land is carried at historical cost. All other Tangible Fixed assets are stated at cost of acquisition or construction, less accumulated depreciation. All costs, including borrowing cost till respective assets is put to use, are capitalized.
- b) Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any.
- c) Losses arising from the retirement of and gains & losses arising from disposal of fixed assets, which are carried at cost, are recognized in the statement of profit & loss.
- d) On transition to Ind AS, the Company has opted to continue with the carrying value of all of its property, plant and equipment recognized as at April 01, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment on the transition date.

B) Depreciation:

- i) Depreciation has been provided as under:
- (i) For assets existing on 1st April 2014 the carrying amount will be amortized over the remaining useful lives on straight line method as prescribed in the schedule II of Companies Act, 2013.
- (ii) For the assets added after the 1st April 2014 :- On straight line method at the useful Lives prescribed in Schedule II to The Companies Act, 2013.
- (iii) The estimated useful lives are as follows:

Assets	Useful Life
Factory Building	30 years
Plant & Machinery	15 years
Electrical Fittings	10 years
Furniture & Fixture	10 years
Vehicle	8 years
Generator	15 years
Heating Module	15 years
Air Conditioner	5 years
Office Equipment's	5 years
Computer	3 years
Lease Hold Improvement	4 years
Lab Equipment	10 years

- (iv) Leasehold Improvements are written off over the period of lease or lease term whichever is shorter.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

- (v) Intangible assets comprising of software capitalized is amortized over a period of 3 years. Intangible assets comprising of cost incurred, Patent capitalized is amortized over a period of 5 years.
 - (vi) Depreciation on assets added/ disposed off during the year has been provided on pro-rata basis with reference to the days of addition/ disposal.
 - (vii) The residual values are not more than 5% of the original cost of the asset
- II) Depreciation in case of assets held by subsidiary Company are charged on a straight line basis over the estimated useful life of these assets, which are as follows:

Assets	Years
Buildings and Structures	05 - 41
Machinery and Equipment	05 - 10
Motor Vehicles	05 - 10
Office Equipment	03 - 05

3. Foreign Exchange Transaction

- (i) Functional currency and presentation currency :

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees, which is the Company's functional and presentation currency.

- (ii) Transactions and balances :

Transactions denominated in foreign currencies are translated into the functional currency at the exchange rates prevailing at the time of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from Monetary assets and liabilities in foreign currency, outstanding at the end of the year are converted into Indian currency at the rate prevailing on the Balance Sheet date. Resulting gain or loss is recognized in statement of profit or loss.

At the reporting date, non-monetary items which are carried in terms of historical cost denominated in foreign currency are reported using the exchange rate at the date of transaction.

Forward Exchange Contracts:-

The premium or discount arising at the inception of the forward exchange contracts entered into to hedge an existing assets/ liability, is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit & loss in the reporting period in which the exchange rate changes.

Forward exchange contracts outstanding as at the year end on account of firm commitment/ highly probable forecast transaction are marked to market and the gains or the losses, if any , is recognized as Other Comprehensive Income (OCI).

4. Investments

- a) Investments that are readily realizable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All the other investments are classified as non-current investments.
- b) Upon first time adoption of Ind AS, the Company has opted to continue with the carrying value of all of its investment in subsidiary recognized as at April 1, 2016 at cost. However, provision for diminution is made to recognize a decline, other than temporary, in the value of investments, such reduction being determined and made for each investment individually.
- c) Equity instruments : The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

- d) Debt instruments: The Company classifies its debt instruments into following categories:
- 1) Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.
 - (2) Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through statement of Profit and Loss. Interest income from these financial assets is included in other income.

5. Inventories

Inventories are stated at lower of cost and net realizable value.

Cost of raw materials is determined using FIFO method except for Subsidiary where Cost is determined using weighted average method. However, these items are considered to be realizable at cost if the finished products, in which they will be used, are expected to be sold at or above cost.

The cost of finished goods and Stock-in-process comprises raw materials, direct labour, other direct costs and related production overheads upto the relevant stage of completion.

Waste material are valued at Net Realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

License stock are stated at the Duty credit entitlement value.

6. Recognition of Income & Expenditure

- (i) Revenue/ Incomes and Costs/ Expenditure are generally accounted on accrual, as they are earned or incurred.
- (ii) a) Sale of Goods is recognized on transfer of significant risks and rewards of ownership which is generally on the dispatch of goods.
 - b) Sales of goods are accounted excluding taxes, wherever applicable.
- (iii) Export incentives under the "Duty Drawback Scheme" etc. is accounted as income in the year of export.
- (iv) Interest Income/ expenditure is recognized on the time proportion basis taking into account of the amount outstanding and the rate applicable.
- (v) Dividend income is recognized when the right to received dividend is established.
- (vi) Government Grants in the form of Market Linked Focus Product License (MLFPL Scheme)/M.E.I.S are recognized based on export on an accrual basis.

7. Government Grants & Subsidies

Government Grants are recognized when there is a reasonable assurance that the same will be received and all attaching conditions will be complied with. Revenue grants are recognized in the Statement of Profit and Loss. Capital grants relating to specific tangible / Intangible Assets are shown separately as Current/Non Current Liability and has not been reduced from the gross value of the respective Tangible / Intangible Assets.

8. Customs Duty

Custom Duty is accounted for as and when paid on the clearance of the goods for home Consumption.

9. Employees Retirement and other benefits

a) Provident fund:-

The contribution of the Company on a monthly basis towards Provident Fund and Employee State Insurance, which are, defined contributions plans are charged to revenue. The company has paid to regulatory authority & has no further obligations other than these contributions.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

b) Escrow Deposits Scheme:-

The company has a defined contribution plan towards employee escrow deposit scheme for eligible employee's as per terms of employment.

The company also under obligation to pay interest on the escrow deposit contribution made by Company as well as the equivalent amount of cumulative escrow deposit monthly retention recovered from the employee covered in the scheme. The interest is provided as liability to be paid upon Retirement, resignation, termination of employment subject to fulfillment of agreed term & Conditions.

The Company assesses its liability based on (using the Projected Unit Credit method) and Actuarial losses/ gains are recognized in the statement of profit & loss in the year in which they arise.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income, which are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the statement of profit and loss as past service cost.

c) Employee Security Deposit scheme:-

The company retains an amount as a security deposit on monthly basis for eligible employees as a part of employee retention policy for 3 years from the date of appointment. The company also under an obligation to pay interest on the security deposit retention received from the employee covered in the scheme. The interest is provided as liability to be paid upon Retirement, resignation, termination of employment subject to fulfillment of agreed term & Conditions.

d) Leave Encashment:-

Leave Encashment towards accumulated Compensated Absences are the company's defined benefit plan payable upon Retirement, resignation, termination of employment. The present value of the obligation under such defined benefit plan is determined based on actuarial Valuation using the Projected Unit Credit Method.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income, which are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the statement of profit and loss as past service cost.

e) Gratuity:-

The company provides for gratuity, a defined benefit plan (the Gratuity plan) covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The company's liability is actually determined under (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the statement of profit & loss in the year in which they arise.

The company has subscribed to a gratuity plan which is administrated through HDFC Standard life and a trust which is administrated through trustees.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income, which are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the statement of profit and loss as past service cost.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

10. Provision & Contingent Liabilities

Provision

provision are recognized when there is a present obligation as a result of a past event and it is probable that an outflow of benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from the past events, the existence of which will be confirmed only on the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not portable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

11. Income Tax, Deferred Tax and Dividend Distribution Tax

a) Current and Deferred Tax

Tax expense for the period, comprising Current tax and Deferred Tax are included in the determination of net profit or loss for the period.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in India.

Deferred Tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred Tax assets and liabilities are measured using the tax rates and tax laws that have been enacted and substantively enacted by the Balance Sheet date. At each Balance Sheet date, the company re-assesses unrecognized deferred tax assets, if any.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity.

12. Borrowing Cost

Borrowing cost incurred in relation to the acquisition, construction of assets are capitalized as the part of cost of such assets up to date which such assets are ready for intended use. Other borrowing costs are charged as an expense over the period of Term Loan.

13. Impairment of Assets

Assessment is done at each Balance Sheet date as to whether there is any indication that a tangible asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of asset that generates cash inflows from continuing use that are largely independent of the cash inflow from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made.

Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an assets and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

14. Leases (As a lessee):

The Company has adopted Ind AS 116 "Leases" using the modified retrospective approach with effect from initially applying this standard from 1st April 2019.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Company also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Company is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

The discount rate is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and restoration cost, less any lease incentives received.

The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. When a lease liability is remeasured, the corresponding adjustment of the lease liability is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

15. Cash and Cash Equivalents:

In the Cash flow statement, cash and cash equivalents include cash on hand, demand deposits with bank, other short term highly liquid investments with original maturity of three months or less.

16. Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The Weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for the events, such as bonus shares, other than conversion of potential equity share that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity share holders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

17. Financial Instruments

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1) Financial Assets

i) Classification

The Company classifies its financial assets in the following measurement categories:

- a) at fair value either through other comprehensive income (FVOCI) or through profit and loss (FVTPL); and
- b) at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Gains and losses will either be recorded in the statement of profit and loss or other comprehensive income for assets measured at fair value.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For investments in debt instruments, this will depend on the business model in which the investment is held.

For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value or through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

ii) Measurement

At initial recognition, in case of a financial asset not at fair value through the statement of profit and loss account, the Company measures a financial asset at its fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through the statement of profit and loss are expensed in profit or loss.

a) Debt instruments

There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the statement of profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the statement of profit and loss and recognised in other income or other expenses (as applicable). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit and loss (FVTPL) : Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through the profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit and loss and is not part of a hedging relationship is recognised in the statement of profit and loss and within other income or other expenses (as applicable) in the period in which it arises. Interest income from these financial assets is included in other income or other expenses, as applicable.

b) Equity instruments

The Company measures all equity investments (except Equity investment in subsidiaries and joint ventures) at fair value. The Company's management has opted to present fair value gains and losses on equity investments through profit and loss account. Dividends from such investments are recognised in the statement of profit and loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognised in other income or other expenses, as applicable in the statement of profit and loss.

iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

iv) Derecognition of financial assets

A financial asset is derecognised only when –

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

- a) The Company has transferred the rights to receive cash flows from the financial asset or
- b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

v) **Income Recognition**

Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividend income

Dividends are recognised in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

vi) **Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

vii) **Trade Receivables**

Trade receivables are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest rate method, less provision for impairment.

2) **Financial Liabilities**

i) **Measurement**

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liabilities not recorded at fair value through profit and loss), that are directly attributable to the issue of financial liability. All financial liabilities are subsequently measured at amortised cost using effective interest method. Under the effective interest method, future cash outflow are exactly discounted to the initial recognition value using the effective interest rate, over the expected life of the financial liability, or, where appropriate, a shorter period. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit and loss.

ii) **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

iii) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per payment terms.

iv) Derivatives and hedging activities

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. Resulting gains/(losses) are recorded in statement of profit and loss under other income/other expenses. Derivatives are classified as a current asset or liability when expected to be realised/settled within 12 months of the balance sheet date.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

NOTE : 3A Critical estimates and judgments

In the application of the company's accounting policies, which are described in note 2, the management is required to make judgment, estimates, and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other process. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future period if the revision affects both current and future period.

The following are the critical estimates and judgments that have the significant effect on the amounts recognised in the financial statements.

Critical estimates and judgments

i) Estimation of current tax expense and deferred tax

The calculation of the company's tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the current and deferred income tax in the period in which such determination is made.

Recognition of deferred tax assets / liabilities

The recognition of deferred tax assets is based upon whether it is probable that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. To determine the future taxable profits, reference is made to the approved budgets of the company. Where the temporary differences are related to losses, local tax law is considered to determine the availability of the losses to offset against the future taxable profits as well as whether there is convincing evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the company. Significant items on which the Company has exercised accounting judgment include recognition of deferred tax assets in respect of losses. The amounts recognised in the financial statements in respect of each matter are derived from the Company's best estimation and judgment as described above.

ii) Estimation of Provisions and Contingent Liabilities

The company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities, which is related to pending litigation or other outstanding claims. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision. Although there can be no assurance of the final outcome of the legal proceedings in which the company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

iii) **Estimation of useful life of Property, Plant and Equipment, Intangible assets, Investment properties**

Property, Plant and Equipment, Intangible assets, Investment properties represent a significant proportion of the asset base of the company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The useful lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

iv) **Estimation of provision for inventory**

The company writes down inventories to net realisable value based on an estimate of the realisability of inventories. Write downs on inventories are recorded where events or changes in circumstances indicate that the balances may not realised. The identification of write-downs requires the use of estimates of net selling prices of the down-graded inventories. Where the expectation is different from the original estimate, such difference will impact the carrying value of inventories and write-downs of inventories in the periods in which such estimate has been changed.

v) **Estimation of defined benefit obligation**

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) for post employments plans include the discount rate. Any changes in these assumptions will impact the carrying amount of such obligations.

The company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the defined benefit obligations. In determining the appropriate discount rate, the company considers the interest rates of government bonds of maturity approximating the terms of the related plan liability.

vi) **Estimated fair value of Financial Instruments**

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Management uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

vii) **Impairment of Trade Receivable**

The impairment provisions for trade receivable are based on assumptions about risk of default and expected loss rates. The company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

NOTE 43:

Adoption of Ind AS 116 – Leases

- (a) Effective 1st April 2019, the Company has adopted Ind AS 116 - Leases using a modified retrospective approach. Accordingly, on initial application of Ind AS 116, in respect of leases previously classified as operating leases, lease liability is measured at the present value of remaining lease payments discounted using the incremental borrowing rate at the date of initial application and the Right-of-use asset has been measured at the amount equal to lease liability, adjusted for any prepaid or accrued lease payments recognised in the balance sheet immediately before the date of initial application.
- (b) Effect of initial application of Ind AS 116 on transition date is disclosed below.
- (i) Lease liabilities recognised on the date of initial application: 1,069.08 Lakhs
- (ii) Right of use asset recognised on the date of initial application: 1,069.08 Lakhs

(i) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements as at March 31, 2021	Notes	Level 1	Level 2	Level 3	Total

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. The Company has mutual funds for which all significant inputs required to fair value an instrument falls under level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities and unlisted preference shares are included in level 3.

There are no transfers between levels 1, 2 and 3 during the year.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

Investments in quoted equity instruments are valued using the closing price at Bombay Stock Exchange (BSE) at the reporting period.

The fair value of forward foreign exchange contracts is determined using forward exchange rates as at the balance sheet date, prevailing with authorised dealers dealing in foreign exchange.

The use of Net Assets Value ('NAV) for valuation of mutual fund investment. NAV represents the price at which the issuer will issue further units and will redeem such units of mutual fund to and from the investors.

The fair value of the debentures is determined based on present values and the discount rates used were adjusted for counterparty risk and country risk.

(iii) Fair value of financial assets and liabilities measured at amortised cost

(Rs. in Lakhs)

Particulars	As at March 31, 2021		As at March 31, 2020	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
Financial assets				
Equity Investment			1.12	1.12
Debentures	129.96	129.96	125.00	125.00
Trade receivables	1616.34	1616.34	733.11	733.11
Cash and cash equivalents	1521.83	1521.83	1477.93	1477.93
Bank balances other than cash and cash equivalents	61.70	61.70	58.18	58.18
Loans	14.36	14.36	20.37	20.37
Other financial assets	146.92	146.92	174.54	174.54
Total financial assets	3491.11	3491.11	2590.25	2590.25
Financial liabilities				
Borrowings	605.43	605.43	641.73	641.73
Trade payables	449.66	449.66	422.16	422.16
Other financial liabilities	896.47	896.47	1069.21	1069.21
Total financial liabilities	1951.56	1951.56	2133.10	2133.10

a) The carrying amounts of trade receivables, trade payables, cash and cash equivalents, bank balances other than cash and cash equivalents, borrowings and other financial liabilities are considered to be the same as their fair values, due to their short term nature.

b) The fair values and carrying value for equity investments, security deposits, loans, other financial assets and other financial liabilities are materially the same.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS**NOTE 47A: Financial risk management**

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimize any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

The company has a robust risk management framework comprising risk governance structure and defend risk management processes. The risk governance structure of the company is a formal organization structure with defend roles and responsibilities for risk management.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, loans & other financial assets measured at amortised cost.	Ageing analysis	Diversification of bank deposits, credit limits and letters of credit in select cases.
Liquidity risk	Other financial liabilities	Sensitivity analysis	Availability of committed credit lines and borrowing facilities
Market risk foreign currency risk	Recognized financial assets and liabilities not denominated in Indian rupee.	Sensitivity analysis	Forward foreign exchange contracts
Market risk security prices	Investments in equity shares, debentures & mutual funds.	Sensitivity analysis	Portfolio diversification

The Company risk management is carried out by a central treasury department under the guidance from the board of directors. Company's treasury identifies, evaluates and hedges financial risks in close coordination with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity. There is no change in objectives and process for managing the risk and methods used to measure the risk as compared to previous year.

1) Credit Risk :

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The Credit risk mainly arises receivables from customers, cash and cash equivalents, loans and deposits with banks, financial institutions & others.

a) Trade receivables

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 1616.34 Lakhs as at March 31, 2021 (March 31, 2020- Rs. 733.11 Lakhs) and from loans amounting Rs. 14.36 Lakhs (March 31, 2020- Rs. 20.37 Lakhs) Trade receivables are typically unsecured and are derived from revenue earned from customers located in India as well as outside India.

The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade receivables.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry, the country and the state in which the customer operates, also has an influence on credit risk assessment.

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The management continuously monitors the credit exposure towards the customers outstanding at the end of each reporting period to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

The movement in the allowance for impairment in respect of trade receivables during the year was as follow:

Movement in expected credit loss allowance on trade receivables

(Rs.in Lakhs)

	As at March 31, 2021	As at March 31, 2020
Opening provision	7.11	2.06
Add: Additional provision made	39.34	5.05
Less: Provision write off	---	---
Less: Provision reversed	2.73	---
Closing provision	43.72	7.11

The average credit period on sales of products is less than 90 days. Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/modified. For trade receivables, as a practical expedient, the Company computes credit loss allowance based on a provision table as above.

b) **Cash and cash equivalents:**

As at the year end, the Company held cash and cash equivalents of Rs. 1521.83 Lakhs (March 31, 2020: Rs. 1477.93 Lakhs). The cash and cash equivalents are held with bank and financial institution counterparties with good credit rating.

c) **Other Bank Balances:**

Other bank balances are held with bank and financial institution counterparties with good credit rating.

d) **Loans :** The maximum exposure from loans is from loans due to employees and the repayments are regular and neither past due nor impaired.

e) **Other financial assets:**

Other financial assets includes security deposits which are neither past due nor impaired.

2) **Liquidity Risk :**

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses.

Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

(i) **Financing arrangements**

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

(Rs.in Lakhs)

Particulars	As at	
	March 31, 2021	March 31, 2020
Expiring within one year (bank overdraft and other facilities)	992.52	2798.33

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

(ii) Maturity pattern of financial liabilities

(Rs.in Lakhs)

As at March 31, 2021	Not Due	0-6 months	6 – 12 Months	More than 12 months
Borrowings	----	546.04	25.83	93.20
Trade Payable	----	449.66	----	----
Other financial liabilities	----	240.24	75.14	688.76

(Rs.in Lakhs)

As at March 31, 2020	Not Due	0-6 months	6 - 12 months	More than 12 months
Borrowings	----	612.26	36.90	77.64
Trade Payable	----	422.16	-	----
Other financial liabilities	----	224.78	132.11	771.38

Other financial liabilities includes Current maturity of long-term borrowings of Rs. 59.64 Lakhs (March 31, 2020 : 85.07 Lakhs) is included in borrowings above :

3) Market Risk :

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks namely interest rate risk, currency risk and other price risk, such as commodity risk. The Company is not exposed to interest rate risk whereas the exposure to currency risk and other price risk is given below:

A) Market Risk- Foreign currency risk.

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by maintaining an EEFC bank account and purchasing of goods, commodities and services in the respective currencies. The Company also uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments, highly probable forecast transactions and foreign currency required at the settlement date of certain receivables/payables. The use of foreign currency forward contracts is governed by the Company's strategy approved by the board of directors, which provide principles on the use of such forward contracts consistent with the Company's risk management policy and procedures.

Derivatives instruments and unhedged foreign currency exposure

(a) Derivative outstanding as at the reporting date

Particulars/ Currency	As at March 31, 2021		As at March 31, 2020	
	Amount in Foreign Currency in Lakhs	In Lakhs Rs.	Amount in Foreign Currency in Lakhs	In Lakhs Rs.
Forward contract to sell				
- USD	2.70	199.40	3.69	270.54

Derivative financial instruments such as foreign exchange forward contracts are used for hedging purposes and not as trading or speculative instruments.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

(b) Particulars of unhedged foreign currency exposures as at the reporting date

The Company's exposure to foreign currency risk at the end of the reporting period expressed in equivalent in INR Rupees is as follows:

(Rs. In Lakhs)

Particulars	As at March 31, 2021		As at March 31, 2020	
	USD	Other Currency (VND)	USD	Other Currency (VND)
Financial assets				
Investment in equity shares	563.53	--	563.53	--

Less: Forward contracts (-INR)	199.40	--	270.54	--
Net unhedged foreign currency exposure	626.71	1480.16	531.65	(51.40)

The company mainly exposed to. The below table demonstrates the sensitivity to 1% increase or decrease in the against INR with all other variables held constant. The sensitivity analysis is prepared on the unhedged exposure of the company as at the reporting date.

	Effect on Profit after Tax	
	For year ended March 31, 2021	
	1% increase	1% decrease
Increase / (decrease) in profit or loss	21.07	(21.07)

B) Market Risk- Price risk.

(a) Exposure

The company is mainly exposed to the price risk due to its investment in mutual funds and investment in equity instruments held by the company and classified in the balance sheet as fair value through profit or loss. The investment in mutual funds are mix of equity and debt based mutual funds. The price risk arises due to uncertainties about the future market values of these investments. To manage its price risk arising from investments in equity securities and mutual funds, the company diversifies its portfolio.

(b) Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5% or decreased by 5% with all other variables held constant, and that all the company's equity instruments moved in line with the index.

BSE Sensex 30 Increase 5%	128.77	105.67
BSE Sensex 30 Decrease 5%	(128.77)	(105.67)

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

NOTE 47B: Capital management

(a) Risk Management

The company's objectives when managing capital are to safeguard the company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors capital on the basis of the following gearing ratio:

NOTE 49 :

The COVID 19 outbreak continues to spread rapidly in India and across globe. Various measure taken by the Government to contain the spread of virus including lock downs have affected the economic activity and caused disruption of regular business operations of the Company. The Company's financial stability in such testing times is intact and financial controls are well in place. Company has considered adequately while making doubtful provisions as on 31.03.2021 if any. However the impact assessment of COVID-19 is continuing process given the uncertainties associated with its nature and duration. The impact of COVID 19 may be different from that estimated as at the date of approval of these financial results and the Board will continue to closely monitor the developments. In these Turbulent COVID times, Company is also looking at new products offering and change in product mix.

Independent Auditor's Report on Standalone Financial Statements

To the Members of
Premco Global Limited
Mumbai.

Opinion

We have audited the accompanying (Standalone) financial statements of **Premco Global Limited ("the Company")** which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flows, the Statement of changes in Equity for the year then ended and notes to standalone financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its Total Comprehensive Income (comprising of Profit /loss and other comprehensive Income), Cash Flow and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon. There are no other key audit matters and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Director are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the

disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by section 143 (3) of the Act, based on our audit, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss(including Other Comprehensive Income), the Cash Flow Statement and Statement of changes in Equity dealt with by this Report are in agreement with the books of account;

- d. in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act as applicable.
- e. On the basis of written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Financial Statements Refer Note 35 (b) and (c) to standalone financial statements.
 - ii. The Company, has long-term contracts including derivative contracts as at March 31 2021 for which there were no material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

“Annexure A” to the Independent Auditors’ Report

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the standalone financial statements of the Company for the year ended March 31, 2021:

- 1) (a) The Company is in the process of updating Fixed Asset register with a object of maintaining proper records showing full particulars, including quantitative details and situation of fixed assets; and the data is in the process of input in the new software program.
 - (b) The fixed assets have been physically verified by the management at reasonable intervals once in 3 years on rotation basis in a phased periodical manner and discrepancies noticed on such verification have been appropriately dealt in the books. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) The title deeds of immovable properties are held in the name of the company except in respect of land at Palghar where the sale deed dated 20/08/1986 amounting to Rs. 1.63 Lakhs is in the name of Premco Narrow Fabrics Private Limited and that the necessary mutation has been effected in the name of the company as per Local Gram panchayat Karyalay Alyali, Palghar.
- 2) In our opinion, the management has conducted physical verification of inventory, excluding stocks with third parties, at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification. In respect of inventories lying with Third parties, these have substantially been confirmed by them.
 - 3) According to information and explanations given to us, the company has not granted loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act except in respect of Loan given by the company to its Subsidiary covered in the Register maintained under section 189 of the Act:
 - a) In our opinion, the terms and conditions on which loan have been granted are not prejudicial to the interest of the Company.
 - b) The schedule of repayment of principal and interest has been stipulated and that such repayments of principal and interest are regular.
 - c) There are no overdue amount of loan given as at year end.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and securities.
 - 5) According to the information and explanation given to us the Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
 - 6) According to the information and explanations provided by the management, the company is not engaged in production of any such goods or provision of any such services for which the Central Government has prescribed particulars relating to utilisation of material or labour or other items of cost. Hence, provisions of section 148(1) of the Companies Act,2013 do not apply to the company.
 - 7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess, and any other applicable statutory dues wherever applicable, with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2021 for a period of more than six months from the date on which they become payable except as follows:

There are demand raised from the Central Processing Center TDS aggregating to Rs. 64,520/- for various years. As informed to us the company is in the process of identifying the nature of such demands and whether any rectification/disputes are required to be taken before jurisdictional authorities.
 - (b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute except as stated below :

Sr. No.	Name of Statute	Nature of Dues	Forum where Dispute is pending	Assst. Year	Amount in Rs. in Lakhs
1	Income Tax Act	Income Tax	Assessing Officer	2009-10	4.53
2	Income Tax Act	Income Tax	Assessing Officer	2014-15	0.04

- 8) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, bank. No loans have been taken from government or debentures holders.
- 9) According to the information and explanation given to us, the company has not raised moneys by way of initial public offer or further public offer including debt instruments. Money raised by way of term Loans during the year has been applied for the purpose for which they were raised.
- 10) During the course of our examination of the books and records of the company, carried in accordance with auditing standard generally accepted in India, we have neither come across any instance of fraud by the Company or on the company by its officers or employees noticed or reported during the course of our audit nor have we been informed of any such instance by the management.
- 11) As explained to us, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013
- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable Indian accounting standards.
- 14) The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company.
- 16) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company.

**“Annexure B” to the Independent Auditor’s
Report of even date on the Standalone Ind AS Financial
Statements of Premco Global Limited**

(referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirement” of our report of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Premco Global Limited** (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

NOTE 1 : General Information

PREMCO GLOBAL LIMITED (the Company) (CIN : L18100MH1986PLC040911) is a public limited company and is listed on Bombay Stock Exchange (BSE). The Company is engaged interalia, in the business of manufacturing of Knitted & Narrow woven Elastics.

NOTE 2 : Significant Accounting Policies

1. Basis of preparation of Financial Statements

- a) These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS), notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, under the historical cost convention on accrual basis, except for certain financial instruments (including derivatives instruments) and defined benefit plans – Plan assets, which are measured at fair values, as specified at places of respective categories.
- b) All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalent, the Company has ascertained its operating cycle to be twelve months for the purpose of current – non-current classification of assets and liabilities.
- c) Accounting policies not specifically referred to otherwise are consistent with the generally accepted accounting principles followed by the Company.

2. Property, Plant and Equipment and Depreciation

A) Property Plant and Equipment:

- a) Freehold land is carried at historical cost. All other Tangible assets are stated at cost of acquisition or construction, less accumulated depreciation. All costs, including borrowing cost till respective assets is put to use, are capitalized.
- b) Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any.
- c) Losses arising from the retirement of and gains & losses arising from disposal of fixed assets, which are carried at cost, are recognized in the statement of profit & loss.
- d) On transition to Ind AS, the Company has opted to continue with the carrying value of all of its property, plant and equipment recognized as at April 01, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment on the transition date.

B) Depreciation:

Depreciation has been provided as under:

- (i) For assets existing on 1st April 2014 the carrying amount will be amortized over the remaining useful lives on straight line method as prescribed in the schedule II of Companies Act, 2013.
- (ii) For the assets added after the 1st April 2014 :- On straight line method at the useful Lives prescribed in Schedule II to The Companies Act, 2013.
- (iii) The estimated useful lives are as follows:

Assets	Useful Life
Factory Building	30 years
Plant & Machinery	15 years
Electrical Fittings	10 years
Furniture & Fixture	10 years
Vehicle	8 years
Generator	15 years
Heating Module	15 years
Air Conditioner	5 years
Office Equipment's	5 years
Computer	3 years
Lease Hold Improvement	4 years
Lab Equipment	10 years

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

- (iv) Leasehold Improvements are written off over the period of lease or lease term whichever is shorter.
- (v) Intangible assets comprising of software capitalized is amortized over a period of 3 years. Intangible assets comprising of cost incurred, Patent capitalized is amortized over a period of 5 years.
- (vi) Depreciation on assets added/ disposed off during the year has been provided on pro-rata basis with reference to the days of addition/ disposal.
- (vii) The residual values are not more than 5% of the original cost of the asset

3. Foreign Exchange Transaction

- (i) Functional currency and presentation currency :

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees, which is the Company's functional and presentation currency.

- (ii) Transactions and balances :

Transactions denominated in foreign currencies are translated into the functional currency at the exchange rates prevailing at the time of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from Monetary assets and liabilities in foreign currency, outstanding at the end of the year are converted into Indian currency at the rate prevailing on the Balance Sheet date. Resulting gain or loss is recognized in statement of profit or loss.

At the reporting date, non-monetary items which are carried in terms of historical cost denominated in foreign currency are reported using the exchange rate at the date of transaction.

Forward Exchange Contracts:-

The premium or discount arising at the inception of the forward exchange contracts entered into to hedge an existing assets/ liability, is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit & loss in the reporting period in which the exchange rate changes.

Forward exchange contracts outstanding as at the year end on account of firm commitment/ highly probable forecast transaction are marked to market and the gains or the losses, if any, is recognized as Other Comprehensive Income (OCI).

4. Investments

- a) Investments that are readily realizable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All the other investments are classified as non-current investments.
- b) Upon first time adoption of Ind AS, the Company has opted to continue with the carrying value of all of its investment in subsidiary recognized as at April 1, 2016 at cost. However, provision for diminution is made to recognize a decline, other than temporary, in the value of investments, such reduction being determined and made for each investment individually.
- c) Equity instruments : The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.
- d) Debt instruments: The Company classifies its debt instruments into following categories:
 - 1) Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.
 - 2) Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through statement of Profit and Loss. Interest income from these financial assets is included in other income.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

5. Inventories

Inventories are stated at lower of cost and net realizable value.

Cost of raw materials is determined using FIFO method. However, these items are considered to be realizable at cost if the finished products, in which they will be used, are expected to be sold at or above cost.

The cost of finished goods and Stock-in-process comprises raw materials, direct labour, other direct costs and related production overheads upto the relevant stage of completion.

Waste material are valued at Net Realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

License stock are stated at the Duty credit entitlement value.

6. Recognition of Income & Expenditure

- (i) Revenue/ Incomes and Costs/ Expenditure are generally accounted on accrual, as they are earned or incurred.
- (ii) a) Sale of Goods is recognized on transfer of significant risks and rewards of ownership which is generally on the dispatch of goods.
b) Sales of goods are accounted excluding taxes, wherever applicable.
- (iii) Export incentives under the "Duty Drawback Scheme" etc. is accounted as income in the year of export.
- (iv) Interest Income/ expenditure is recognized on the time proportion basis taking into account of the amount outstanding and the rate applicable.
- (v) Dividend income is recognized when the right to received dividend is established.
- (vi) Government Grants in the form of Market Linked Focus Product License (MLFPL Scheme)/M.E.I.S are recognized based on export on an accrual basis.

7. Government Grants & Subsidies

Government Grants are recognized when there is a reasonable assurance that the same will be received and all attaching conditions will be complied with. Revenue grants are recognized in the Statement of Profit and Loss. Capital grants relating to specific tangible / Intangible Assets are shown separately as Current/Non Current Liability and has not been reduced from the gross value of the respective Tangible / Intangible Assets.

8. Customs Duty

Custom Duty is accounted for as and when paid on the clearance of the goods for home Consumption.

9. Employees Retirement and other benefits

a) Provident fund:-

The contribution of the Company on a monthly basis towards Provident Fund and Employee State Insurance, which are, defined contributions plans are charged to revenue. The company has paid to regulatory authority & has no further obligations other than these contributions.

b) Escrow Deposits Scheme:-

The company has a defined contribution plan towards employee escrow deposit scheme for eligible employee's as per terms of employment.

The company also under obligation to pay interest on the escrow deposit contribution made by Company as well as the equivalent amount of cumulative escrow deposit monthly retention recovered from the employee covered in the scheme. The interest is provided as liability to be paid upon Retirement, resignation, termination of employment subject to fulfillment of agreed term & Conditions.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

The Company assesses its liability based on (using the Projected Unit Credit method) and Actuarial losses/ gains are recognized in the statement of profit & loss in the year in which they arise.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income, which are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the statement of profit and loss as past service cost.

c) Employee Security Deposit scheme:-

The company retains an amount as a security deposit on monthly basis for eligible employees as a part of employee retention policy for 3 years from the date of appointment. The company also under an obligation to pay interest on the security deposit retention received from the employee covered in the scheme. The interest is provided as liability to be paid upon Retirement, resignation, termination of employment subject to fulfillment of agreed term & Conditions.

d) Leave Encashment:-

Leave Encashment towards accumulated Compensated Absences are the company's defined benefit plan payable upon Retirement, resignation, termination of employment. The present value of the obligation under such defined benefit plan is determined based on actuarial Valuation using the Projected Unit Credit Method.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income, which are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the statement of profit and loss as past service cost.

e) Gratuity:-

The company provides for gratuity, a defined benefit plan (the Gratuity plan) covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The company's liability is actually determined under (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the statement of profit & loss in the year in which they arise.

The company has subscribed to a gratuity plan which is administrated through HDFC Standard life and a trust which is administrated through trustees.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income, which are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the statement of profit and loss as past service cost.

10. Provision & Contingent Liabilities

Provision

provision are recognized when there is a present obligation as a result of a past event and it is probable that an outflow of benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from the past events, the existence of which will be confirmed only on the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not portable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

11. Income Tax, Deferred Tax and Dividend Distribution Tax

a) Current and Deferred Tax

Tax expense for the period, comprising Current tax and Deferred Tax are included in the determination of net profit or loss for the period.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in India.

Deferred Tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred Tax assets and liabilities are measured using the tax rates and tax laws that have been enacted and substantively enacted by the Balance Sheet date. At each Balance Sheet date, the company re-assesses unrecognized deferred tax assets, if any.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity.

12. Borrowing Cost

Borrowing cost incurred in relation to the acquisition, construction of assets are capitalized as the part of cost of such assets up to date which such assets are ready for intended use. Other borrowing costs are charged as an expense over the period of Term Loan.

13. Impairment of Assets

Assessment is done at each Balance Sheet date as to whether there is any indication that a tangible asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of asset that generates cash inflows from continuing use that are largely independent of the cash inflow from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made.

Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an assets and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

14. Leases (As a lessee)

The Company has adopted Ind AS 116 "Leases" using the modified retrospective approach with effect from initially applying this standard from 1st April 2019.

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Company also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Company is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

The discount rate is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and restoration cost, less any lease incentives received.

The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. When a lease liability is remeasured, the corresponding adjustment of the lease liability is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

15. Cash and Cash Equivalents:

In the Cash flow statement, cash and cash equivalents include cash on hand, demand deposits with bank, other short term highly liquid investments with original maturity of three months or less.

16. Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The Weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for the events, such as bonus shares, other than conversion of potential equity share that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity share holders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

17. Financial Instruments

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1) Financial Assets

i) Classification

The Company classifies its financial assets in the following measurement categories:

- a) at fair value either through other comprehensive income (FVOCI) or through profit and loss (FVTPL); and
- b) at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Gains and losses will either be recorded in the statement of profit and loss or other comprehensive income for assets measured at fair value.

For investments in debt instruments, this will depend on the business model in which the investment is held.

For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value or through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

ii) Measurement

At initial recognition, in case of a financial asset not at fair value through the statement of profit and loss account, the Company measures a financial asset at its fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through the statement of profit and loss are expensed in profit or loss.

a) Debt instruments

There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the statement of profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the statement of profit and loss and recognised in other income or other expenses (as applicable). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit and loss (FVTPL) : Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through the profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit and loss and is not part of a hedging relationship is recognised in the statement of profit and loss and within other income or other expenses (as applicable) in the period in which it arises. Interest income from these financial assets is included in other income or other expenses, as applicable.

b) Equity instruments

The Company measures all equity investments (except Equity investment in subsidiaries and joint ventures) at fair value. The Company's management has opted to present fair value gains and losses on equity investments through profit and loss account. Dividends from such investments are recognised in the statement of profit and loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognised in other income or other expenses, as applicable in the statement of profit and loss.

iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

iv) Derecognition of financial assets

A financial asset is derecognised only when –

- a) The Company has transferred the rights to receive cash flows from the financial asset or
- b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

Where the company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

v) **Income Recognition**

Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividend income

Dividends are recognised in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

vi) **Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

vii) **Trade Receivables**

Trade receivables are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest rate method, less provision for impairment.

2) **Financial Liabilities**

i) **Measurement**

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liabilities not recorded at fair value through profit and loss), that are directly attributable to the issue of financial liability. All financial liabilities are subsequently measured at amortised cost using effective interest method. Under the effective interest method, future cash outflow are exactly discounted to the initial recognition value using the effective interest rate, over the expected life of the financial liability, or, where appropriate, a shorter period. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit and loss.

ii) **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

iii) **Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per payment terms.

iv) **Derivatives and hedging activities**

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. Resulting gains/(losses) are recorded in statement of profit and loss under other income/other expenses. Derivatives are classified as a current asset or liability when expected to be realised/settled within 12 months of the balance sheet date.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

NOTE : 3A Critical estimates and judgments

In the application of the company's accounting policies, which are described in note 2, the management is required to make judgment, estimates, and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other process. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future period if the revision affects both current and future period.

The following are the critical estimates and judgments that have the significant effect on the amounts recognised in the financial statements.

Critical estimates and judgments

i) Estimation of current tax expense and deferred tax

The calculation of the company's tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the current and deferred income tax in the period in which such determination is made.

Recognition of deferred tax assets / liabilities

The recognition of deferred tax assets is based upon whether it is probable that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. To determine the future taxable profits, reference is made to the approved budgets of the company. Where the temporary differences are related to losses, local tax law is considered to determine the availability of the losses to offset against the future taxable profits as well as whether there is convincing evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the company. Significant items on which the Company has exercised accounting judgment include recognition of deferred tax assets in respect of losses. The amounts recognised in the financial statements in respect of each matter are derived from the Company's best estimation and judgment as described above.

ii) Estimation of Provisions and Contingent Liabilities

The company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities, which is related to pending litigation or other outstanding claims. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement.

Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision. Although there can be no assurance of the final outcome of the legal proceedings in which the company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

iii) Estimation of useful life of Property, Plant and Equipment, Intangible assets, Investment properties

Property, Plant and Equipment, Intangible assets, Investment properties represent a significant proportion of the asset base of the company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The useful lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

**iv) Estimation of provision for inventory**

The company writes down inventories to net realisable value based on an estimate of the realisability of inventories. Write downs on inventories are recorded where events or changes in circumstances indicate that the balances may not be realised. The identification of write-downs requires the use of estimates of net selling prices of the down-graded inventories. Where the expectation is different from the original estimate, such difference will impact the carrying value of inventories and write-downs of inventories in the periods in which such estimate has been changed.

v) Estimation of defined benefit obligation

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) for post employment plans include the discount rate. Any changes in these assumptions will impact the carrying amount of such obligations.

The company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the defined benefit obligations. In determining the appropriate discount rate, the company considers the interest rates of government bonds of maturity approximating the terms of the related plan liability.

vi) Estimated fair value of Financial Instruments

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Management uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

vii) Impairment of Trade Receivable

The impairment provisions for trade receivable are based on assumptions about risk of default and expected loss rates. The company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

NOTE 43:
Adoption of Ind AS 116 – Leases

- (a) Effective 1st April 2019, the Company has adopted Ind AS 116 - Leases using a modified retrospective approach. Accordingly, on initial application of Ind AS 116, in respect of leases previously classified as operating leases, lease liability is measured at the present value of remaining lease payments discounted using the incremental borrowing rate at the date of initial application and the Right-of-use asset has been measured at the amount equal to lease liability, adjusted for any prepaid or accrued lease payments recognised in the balance sheet immediately before the date of initial application.
- (b) Effect of initial application of Ind AS 116 on transition date is disclosed below.
- (i) Lease liabilities recognised on the date of initial application: Rs. 79.63 Lakhs
- (ii) Right of use asset recognised on the date of initial application: Rs. 79.63 Lakhs

NOTE 44: Earning Per Share:

(i) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(Rs.in Lakhs)

Financial assets and liabilities measured at fair value - recurring fair value measurements as at March 31, 2021	Notes	Level 1	Level 2	Level 3	Total

Total financial liabilities		-	-	1,130.23	1,130.23

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. The Company has mutual funds for which all significant inputs required to fair value an instrument falls under level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities and unlisted preference shares are included in level 3.

There are no transfers between levels 1, 2 and 3 during the year.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

Investments in quoted equity instruments are valued using the closing price at Bombay Stock Exchange (BSE) at the reporting period.

The fair value of forward foreign exchange contracts is determined using forward exchange rates as at the balance sheet date, prevailing with authorised dealers dealing in foreign exchange.

The use of Net Assets Value ('NAV) for valuation of mutual fund investment. NAV represents the price at which the issuer will issue further units and will redeem such units of mutual fund to and from the investors.

The fair value of the debentures is determined based on present values and the discount rates used were adjusted for counterparty risk and country risk.

(iii) Fair value of financial assets and liabilities measured at amortised cost

(Rs. in Lakhs)

Particulars	As at March 31, 2021		As at March 31, 2020	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value

- The carrying amounts of trade receivables, trade payables, cash and cash equivalents, bank balances other than cash and cash equivalents, borrowings and other financial liabilities are considered to be the same as their fair values, due to their short term nature.
- The fair values and carrying value for equity investments, security deposits, loans, other financial assets and other financial liabilities are materially the same.

NOTE 47A: Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimize any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

The company has a robust risk management framework comprising risk governance structure and defend risk management processes. The risk governance structure of the company is a formal organization structure with defend roles and responsibilities for risk management.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, loans & other financial assets measured at amortised cost.	Ageing analysis	Diversification of bank deposits, credit limits and letters of credit in select cases.
Liquidity risk	Other financial liabilities	Sensitivity analysis	Availability of committed credit lines and borrowing facilities
Market risk foreign currency risk	Recognized financial assets and liabilities not denominated in Indian rupee.	Sensitivity analysis	Forward foreign exchange contracts
Market risk security prices	Investments in equity shares, debentures & mutual funds.	Sensitivity analysis	Portfolio diversification

The Company risk management is carried out by a central treasury department under the guidance from the board of directors. Company's treasury identifies, evaluates and hedges financial risks in close coordination with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity. There is no change in objectives and process for managing the risk and methods used to measure the risk as compared to previous year.

1) Credit Risk :

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The Credit risk mainly arises receivables from customers, cash and cash equivalents, loans and deposits with banks, financial institutions & others.

a) Trade receivables

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 1,343.91 Lakhs as at March 31, 2021 (March 31, 2020- Rs. 839.46 Lakhs) and from loans amounting Rs. 14.20 Lakhs (March 31, 2020- Rs. 20.37 Lakhs) Trade receivables are typically unsecured and are derived from revenue earned from customers located in India as well as outside India.

The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade receivables.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry, the country and the state in which the customer operates, also has an influence on credit risk assessment.

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The management continuously monitors the credit exposure towards the customers outstanding at the end of each reporting period to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue.

The movement in the allowance for impairment in respect of trade receivables during the year was as follow:

Movement in expected credit loss allowance on trade receivables

(Rs.in Lakhs)

	As at March 31,2021	As at March 31, 2020
Opening provision	7.11	2.06
Add: Additional provision made	39.34	5.05
Less: Provision write off	---	---
Less: Provision reversed	2.73	---
Closing provision	43.72	7.11

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

The average credit period on sales of products is less than 90 days. Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on a detailed study of credit worthiness and accordingly individual credit limits are defined/modified. For trade receivables, as a practical expedient, the Company computes credit loss allowance based on a provision table as above.

b) Cash and cash equivalents:

As at the year end, the Company held cash and cash equivalents of Rs. 425.15 Lakhs (March 31, 2020: Rs. 1319.19 Lakhs). The cash and cash equivalents are held with bank and financial institution counterparties with good credit rating.

c) Other Bank Balances:

Other bank balances are held with bank and financial institution counterparties with good credit rating.

d) Loans : The maximum exposure from loans is from loans due to employees and the repayments are regular and neither past due nor impaired.

e) Other financial assets:

Other financial assets includes security deposits which are neither past due nor impaired.

2) Liquidity Risk :

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses.

Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

(Rs. In Lakhs)

Particulars	As at	
	March 31, 2021	March 31, 2020
Expiring within one year (bank overdraft and other facilities)	992.52	2,525.83

(ii) Maturity pattern of financial liabilities

(Rs.in Lakhs)

As at March 31, 2021	Not Due	0-6 months	6 – 12 Months	More than 12 months
Borrowings	----	546.04	25.83	93.20
Trade Payable	----	431.57	----	----
Other financial liabilities	----	126.55	3.91	148.25
As at March 31, 2020	Not Due	0-6 months	6 – 12 Months	More than 12 months
Borrowings	----	538.46	36.90	77.64
Trade Payable	----	378.83	----	----
Other financial liabilities	----	93.59	40.62	108.32

Other financial liabilities includes Current maturity of long-term borrowings of Rs. 59.64 Lakhs (March 31, 2020 : 85.07 Lakhs) is included in borrowings above :

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
3) Market Risk :

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks namely interest rate risk, currency risk and other price risk, such as commodity risk. The Company is not exposed to interest rate risk whereas the exposure to currency risk and other price risk is given below:

A) Market Risk- Foreign currency risk.

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by maintaining an EEFC bank account and purchasing of goods, commodities and services in the respective currencies. The Company also uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments, highly probable forecast transactions and foreign currency required at the settlement date of certain receivables/payables. The use of foreign currency forward contracts is governed by the Company's strategy approved by the board of directors, which provide principles on the use of such forward contracts consistent with the Company's risk management policy and procedures.

Derivatives instruments and unhedged foreign currency exposure
(a) Derivative outstanding as at the reporting date (Rs. in Lakhs)

Particulars/ Currency	As at March 31, 2021		As at March 31, 2020	
	Amount in Foreign Currency	In Lakhs Rs.	Amount in Foreign Currency	In Lakhs Rs.
Forward contract to sell				
- USD	2.70	199.40	3.69	270.54

Derivative financial instruments such as foreign exchange forward contracts are used for hedging purposes and not as trading or speculative instruments.

(b) Particulars of unhedged foreign currency exposures as at the reporting date

The Company's exposure to foreign currency risk at the end of the reporting period expressed in equivalent in INR Rupees is as follows:

(Rs. in Lakhs)

Particulars	As at March 31, 2021		As at March 31, 2020	
	USD	Others	USD	Others
Financial assets				
Investment in equity shares	563.53		563.53

The company mainly exposed to. The below table demonstrates the sensitivity to 1% increase or decrease in the against INR with all other variables held constant. The sensitivity analysis is prepared on the unhedged exposure of the company as at the reporting date.

(Rs. in Lakhs)

	Effect on Profit after Tax	
	For year ended March 31, 2021	
	1% increase	1% decrease
Increase / (decrease) in profit or loss	6.27	(6.27)

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

B) Market Risk- Price risk.

(a) Exposure

The company is mainly exposed to the price risk due to its investment in mutual funds and investment in equity instruments held by the company and classified in the balance sheet as fair value through profit or loss. The investment in mutual funds are mix of equity and debt based mutual funds. The price risk arises due to uncertainties about the future market values of these investments. To manage its price risk arising from investments in equity securities and mutual funds, the company diversifies its portfolio.

(b) Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/ Loss for the period. The analysis is based on the assumption that the index has increased by 5% or decreased by 5% with all other variables held constant, and that all the company's equity instruments moved in line with the index.

(Rs.in Lakhs)

	Impact on other Component of Equity	
	For year ended	
	March 31, 2021	March 31, 2020
BSE Sensex 30 Increase 5%	128.77	105.67
BSE Sensex 30 Decrease 5%	(128.77)	(105.67)

NOTE 47B: Capital management

(a) Risk Management

The company's objectives when managing capital are to safeguard the company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors capital on the basis of the following gearing ratio:

(Rs. in Lakhs)

NOTE 49 :

The COVID 19 outbreak continues to spread rapidly in India and across globe through second wave. Various measure taken by the Government to contain the spread of virus including lock downs have affected the economic activity and caused disruption of regular business operations of the Company. The Company's financial stability in such testing times is intact and financial controls are well in place. Company has considered adequately while making doubtful provisions as on 31.03.2021 if any. However the impact assessment of COVID-19 is continuing process given the uncertainties associated with its nature and duration. The impact of COVID 19 may be different from that estimated as at the date of approval of these financial results and the Board will continue to closely monitor the developments.
